Hi Kelcey,

Yes, that statement is accurate. We require the prime contractor to maintain insurance throughout the life of the contract and it applies to all the task orders issued – including GKM. I have attached the text from the contract.

Richard Braun

Deliberative Process/Ex. 5

EPA has represented that it requires its contractors to secure, pay for and maintain during the term of the contract commercial general liability insurance (including coverage against bodily injury or death, property damage and contractual liability).
